

White Pine Reading Club

What are we??

We are a group of people that enjoy reading, movies and talking about books.

What is White Pine?

White Pine is part of the Ontario Library Association who picks 10 Canadian books every year that we can use as part of our TAS White Pine Book Club. The TAS library buys two copies of each book: reading a minimum of five means you can vote on a winner and go to Toronto to meet the authors in May.

What is involved?

We meet one time per month in the library at lunch. The format for the meetings is laid back. If you haven't read a book, still come and enjoy the people and their feedback. We will have a Holiday Book exchange and dessert potluck and a pizza party at the end.

Remember, everyone is welcome and there are no expectations. If your school work load is heavy, just come out and enjoy the conversation and read when you can. This is meant to be a fun addition to your TAS experience and give you a chance to connect with others who like to read and a chance to add new titles to your "books to read" list.
